In the interest of your child's safety and consideration for your individual family situation, we must include some very pertinent information in our records. We must, at this time, include the name of those individuals to which you would allow the release of your child. This would be for an emergency situation or for releases other than normal dismissals. **PLEASE NOTE** children will be released to either of their parents unless Corpus Christi - Holy Rosary School is notified to the contrary. **A child of estranged parents may be released only upon request of the custodial parent or guardian with custody as designated by court order, a copy of which must be on record in the school office, and registered on the school records as the parent or guardian.
