*** Please be sure that you sign in and sign out of every event that you volunteer for or your units will not be logged in.**

Units are volunteer hours or sales which help us raise money for the school. All proceeds earned go directly to the school as part of an annual obligation to meet \$50,000.00 in fundraising each year. When you signed registration forms as well as the student handbook, each family signed that they will either earn units by volunteering or by selling merchandise. Families need to earn 16 units (single parent families earn 13) per school year. They cannot be carried over nor can they be transferred to another family. For every two hours volunteered, you receive one unit. For every \$40.00 in merchandise sold you receive one unit. Occasionally we will have a unit sale so families can earn units more easily. The first of those will be the Chocolate Sale in January, in which the first box sold is one unit, and every additional box sold is 2 units. This is our only mandatory sale. Any unearned units have to be paid (\$25.00 per unit) at the end of the year before report cards will be distributed to families.
